

SAFETY AROUND YOUR VEHICLE

The SafeWork NSW Transport WHS Sector Plan aims to improve safety outcomes for workers in the road transport industry

AT THE DEPOT

Conduct a pre-start check of your vehicle and all equipment

08:00
09:15
11:45
13:45

Review your schedule and daily work plan

Ensure regular inspections and vehicle maintenance are carried out

Always establish three points of contact to enter and exit the cab

REPORTING

Record and report WHS issues and incidents

DRIVER HEALTH

Look after mental and physical health by taking care of yourself and others

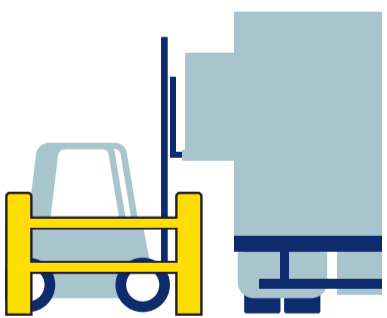

RESPONSIBILITY

You have the right to a safe and healthy workplace

ON SITE

Load and unload in safe zones

Immobilise your vehicle and apply the park brake

Comply with traffic management arrangements

Be trained to couple and uncouple trailers

DID YOU KNOW?

Performing tasks **around your vehicle** is the leading cause of non-driving serious injuries and fatalities in road transport and logistics

NOBODY
IS BUILT FOR IMPACT
